

12v 33ah energy storage battery

Overview

What is a 12V 35.00ah battery used for?

The 12V 35.00Ah battery offers excellent performance in a wide range of applications including security and fire systems, medical devices, emergency lighting and UPS systems. All Power Sonic batteries are subject to stringent quality controls through every step of the manufacturing process ensuring both consistency and reliability.

How much does a 12V 35AH battery weigh?

This 12V 35AH battery weighs 21.71 lbs. It fits in a variety of applications, ranging from alarm systems to mobile scooters. The dimensions are: length: 7.68 inches, height: 6.46 inches, width: 5.12 inches. Top technology: the acid inside is constructed with Absorbed glass mat technology, allowing for a low-maintenance and spill proof battery.

What are expertpower deep cycle rechargeable batteries?

ExpertPower Deep Cycle Rechargeable Batteries are made with the highest quality of materials available.

How many batteries do I need for blmfm12_33?

1 12V batteries required. (included) No BLMFM12_33 Rechargeable 33 Amps
