

12v 400w inverter

Overview

What is a 400 watt power inverter?

The Black & Decker 400 watt Power Inverter converts your vehicle's 12-volt DC power to mobile 11-volt AC household power through its dual AC outlet and USB port. Access instant AC household power in your car, truck, boat, SUV, or RV with this inverter, designed for life on the go and engineered for safety, durability, and reliability.

What is a 12V 220V power inverter?

This inverter 12V 220V generates 1000-watt continuous and 2000-watt surge power which can be applicable for AC household appliances or electrical devices during work trips, road trips, camping, and so on. This power inverter has full safety protections, built-in fuses, and a temperature-controlled cooling fan, to protect your devices from damage.

What is a 12V power inverter?

Power inverters with more than 90% conversion efficiency and stable performance. The 12V power inverter has the functions of current protection, short circuit protection, over-voltage protection, reverse charging protection, power protection, and core protection.

What is the range of a power inverter?

With a range of 400 to 3000 Watts, our family of reliable and dependable power inverters provides the power you need, whether it's to work, play, or get away. Our POWER 500W power inverter is small enough to fit just about anywhere but capable enough to charge and power your devices and small appliances.
