10 years
warranty

Overview

What type of solar panels does Khmer solar offer?

We offer crystalline type panels from 40 - 330 watts to meet your power needs. Khmer Solar recommends Jinko Solar (NYSE:JKS) solar modules for higher energy requirements. Jinko is the global leader in solar module manufacturing and produces quality products with record efficiencies.

How can Solar Partners help Cambodia?

We can help realise the goal of affordable and reliable power provision for all of Cambodia's energy users, ranging from industrial scale business developments to residential home users. For more information on our products and services, please email info@solarpartners.asia or phone +855 23 990 300.

Does Khmer solar offer a warranty on solar panels?

Khmer Solar only stocks grade A solar modules and we stand to offer full warranty on their performance. We offer crystalline type panels from 40 - 330 watts to meet your power needs. Khmer Solar recommends Jinko Solar (NYSE:JKS) solar modules for higher energy requirements.
