

Can Namibia's outdoor power supply be used in customs

Overview

Where can I find information about import restrictions in Namibia?

For further information, you can contact the Namibian Customs and Excise Office (see contact details under Customs Regulations). For more information on Namibian import restrictions and prohibitions see WTO website. Includes a list of goods that are prohibited from being exported to the country or are otherwise restricted.

How to declare goods for home use in Namibia?

They may be declared for home use either directly on importation or after another Customs procedure such as warehousing, temporary admission or Customs transit. the Namibia Revenue Authority (NamRA) provides detailed guidelines on importation of goods which can be found at Importation of Goods | Customs & Excise | NamRA.

How do I report goods to Namibia Customs & Excise?

All goods imported into the Republic of Namibia must be reported to Namibia Customs and Excise through use of a goods declaration lodged at the Customs and Excise office at which they arrive.

Why is it important to comply with import and export regulations in Namibia?

In the context of international trade, adhering to import and export regulations in Namibia is crucial for sustainable business operations. Traders engaged in cross-border transactions must prioritize compliance with local laws to avoid penalties and ensure the smooth movement of goods.

Can I export goods out of Namibia?

Depending on the goods to be exported, different legislations may apply when exporting goods outside Namibia. To export certain goods out of Namibia, you must have a permit ensuring that you comply with applicable export control measures.

What types of goods are subject to import licensing in Namibia?

In addition to pharmaceuticals, chemicals, and environmentally sensitive goods, several types of consumer goods are subject to import licensing in Namibia. These goods are typically subject to regulations to ensure they meet safety, quality, and technical standards.
