

Chad installs solar energy storage power station

Overview

Qair begins constructing two 15 MWp hybrid solar plants with battery storage in N'Djamena, which will supply power to 260,000 people. The project was developed under a 20-year BOOT deal, with a transfer to the Chadian government planned at the end of the term.

Chad installs solar energy storage power station

Chad Project-- RelyEZ

Supported by RelyEZ Energy Storage, the Chad solar energy storage project features a 2MW photovoltaic power generation system, a 500kW diesel generator, and a 6.4MWh lithium ...
