

Container Energy Storage Fire Fighting System

Overview

Advanced fire suppression technologies tailored for energy storage containers, including gas-based suppression (FM-200, Novec 1230), water mist, and aerosol suppression systems, ensuring rapid response to thermal runaway or fire events.

Container Energy Storage Fire Fighting System

Hanoi Energy Storage Container Fire Fighting System

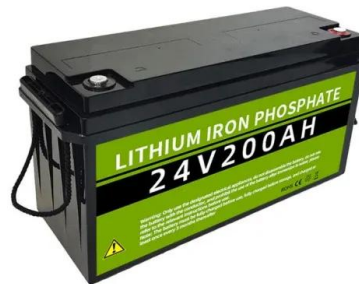

Advanced Fire Fighting Systems Recognizing the potential risks associated with energy storage, TLS Energy has incorporated state-of-the-art fire fighting systems in its BESS containers.
