

Containerized Home Base Station

Overview

What is a shipping container home?

These homes are made by retrofitting steel shipping containers, which are designed to be transported by cargo ships, into livable spaces. The effectiveness of shipping container homes lies in their affordability, durability, and versatility. A 20 ft shipping container can be converted into a small but cozy living space.

What is the ultimate off-grid container home?

The Hideaway: The Ultimate Off-Grid Container Home Designed For Freedom. Designed for the ultimate off-grid experience, this self-sufficient and durable shipping container home is your dream eco-friendly getaway. Featuring integrated solar power, rainwater collection, and a composting toilet, it empowers you to live independently and sustainably.

How many ft are in a container home?

This U-shaped container home is one 40 ft and two 20 ft units combined to create functional wings of the. This double-wide 1 bedroom container home features two 20 ft units placed side by side and joined in the middle. Our 2-story 3 bedroom shipping container home combines modern design with sustainable living.

Can a container be used for a residential purpose?

However, using a container for a residential purpose almost always involves some modifications to the container. Every time you cut out windows and doors or make interior openings to join adjacent containers, you weaken the structure of the container.

What makes backcountry containers unique?

Backcountry Containers crafts custom container homes specific to your unique needs and location. User-friendly equipment and interface, including a pool

heater, a pool pump, filter, skimmer, and main drain, makes for the ultimate plug-n-play experience.

What is a 40 ft container home?

Inspired by the home we built on HGTV's Tiny House, Big Living, the Kennedy is a 40FT container home. It includes a bathroom, bedroom, living space, and a kitchen. We offer both a 20ft and 40ft option for our hunting container cabins. These models are built for the rugged outdoors and offer exceptional security.
