

Costa Rican energy storage battery brand

Overview

sonnenCore offers a truly unique proposition: a battery that is designed to increase your self-consumption of solar energy every day, that offers a way backup your essential loads, and that does this all at a truly game-changing price-point from \$13,000 installed in Costa Rica.

Avolta Energy offers several residential battery storage solutions, now including the brand new sonnenCore battery from our partner sonnen. This is a significant.

The sonnenCore home battery system comes with a 10 year, 10,000 cycle warranty with a total guaranteed energy throughput of 58 Mwh, which is 5x most of the.

Unlike a diesel generator, the sonnenCore has a noise rating of less than 25 decibels, which is akin to a soft whisper. And, the sonnenCore automatically responds.

In partnership with sonnen, we will also continue to offer the eco or ecoLinx. These batteries can support greater energy loads (although to be clear: neither is.
