

Egypt Power Storage Vehicle Equipment Manufacturer

Overview

Where does GB auto manufacture trucks & buses in Egypt?

GB Auto's Commercial Vehicles business unit distributes imported and locally assembled trucks and buses in Egypt. The division assembles Fuso and Volvo buses as well as Fuso trucks at plants in Sadat and Suez, where the company's GB Bus factory is located. It also distributes Volvo heavy trucks and YTO tractors in Egypt.

Does GB auto sell construction equipment in Egypt?

GB Auto's Construction Equipment business unit includes earth moving equipment, road machinery, and power generators distributed in Egypt under distribution agreements with Volvo Construction, SDLG, and AKSA. The group markets its heavy-duty equipment line to public and governmental customers, as well as to private sector companies.

Who makes electric forklift batteries?

EIC produced the first industrial battery for the electric forklifts using flat plate technology at that time. The Third Generation: Egyptian International Company for Clean Energy Solutions. Recognizing the growing importance of clean energy, EIC shifts focus towards becoming the leading source of energy storage in Egypt.

How did EIC become the first energy store in Egypt?

EIC became the first essential source of energy stores in Egypt by leveraging foreign expertise to develop the local market. EIC focused on adopting the latest technologies, including Lithium Batteries and started operating in New Markets like UAE and Portugal.
