

# **How much does it cost to replace a base station power module**

## Overview

---

How much does base cost?

To get with Base, you pay a \$50 refundable deposit upfront. This deposit applies toward your one-time installation cost once your battery is installed. Membership Fee Monthly Energy Bills You can see Base's latest plans and Electricity Facts Labels (EFLs) [here](#). [Calculate Your Savings](#).

How much does a base battery cost?

Based on when members signed up for Base, they may be on an older version of pricing that is broken down differently. Single Battery System: \$695 (First year membership of \$225/year is waived) Dual Battery System: \$995 (First year membership of \$345/year is waived).

Do I need to transfer my system to a new base station?

There may be a point where you need to transfer your system and service to a new or different Base Station. This could be due to replacing a faulty Base Station, moving to a new location, or upgrading your system, such as from Gen 2 to Gen 3 SimpliSafe.

What is base power?

Base Power doesn't just provide reliable power for individual homes—Base is redefining how energy storage systems can support the entire power grid. How much does Base cost?

How much will I pay for energy?

To get with Base, you pay a \$50 refundable deposit upfront.

How do I pay for a battery installation?

You must pay the installation cost fully, on the day of your battery install. The card you provided for the \$50 deposit will be charged. To find out the utility

delivery fees for you, navigate to [basepowercompany.com/efl](https://basepowercompany.com/efl) and select the plan for your utility. You can see Base's latest plans and Electricity Facts Labels (EFLs) [here](#).

Do you have a warranty claim on a base station power cord?

Six months ago we put in a Warranty Claim on a base station power cable that went bad. For a \$1000 VR headset, you'd think that a simple, inexpensive warranty claim for a power cord would be the easiest customer service win on the planet. Decided to just order the power adapter and extension cable from Amazon. Thanks Valve. So I'm not the only one
