

# **Huawei Solomon Islands Energy Storage Base Project**

## Overview

---

Who is financing a solar energy project in the Solomon Islands?

The Asian Development Bank, Saudi Fund for Development, and Solomon Power are all financing the project. A project is now underway on the Solomon Islands to help the country accelerate its renewable energy generation.

How will the Solomon Islands invest in Huawei?

The contract between the Solomon Islands and Huawei will be funded by the Export-Import Bank of China, which leads the country's state investments overseas. The bank will loan almost Rmb450mn (\$66mn) to the country over a 20-year period at a 1 per cent interest rate to fund the project.

Why did Australia stop Huawei building an undersea cable to Solomon Islands?

In 2018, Australia intervened to prevent China's Huawei from building an undersea cable to Solomon Islands, citing security concerns. (Photograph: Jade Gao/AFP/Getty Images).

How is the Solomon Islands project funded?

The project is being funded by a \$10 million concessional loan and a \$5 million grant from the Asian Development Bank (ADB), while the Saudi Fund for Development and state-owned Solomon Power are providing \$10 million each. The government of the Solomon Islands is providing \$7 million.
