

Huawei Vietnam Photovoltaic Energy Storage

The image shows a house with solar panels on the roof. In the foreground, there is a large, white, modular battery storage unit. The unit is composed of several stacked modules, each with a small display screen and control buttons. To the right of the battery unit, there are four circular icons with text descriptions:

-  easy to install and use
-  World wide Products
-  faster charging and discharging
-  Multiple protection with alarm systems

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.
