

Kenya Energy Storage Project Company

Overview

The Kenya Electricity Generating Company PLC (KenGen) is to implement a Battery Energy Storage System (BESS) project as part of a World Bank funded programme. The BESS project forms part of the Kenya Green and Resilient Expansion of Energy (GREEN) programme.

Kenya Energy Storage Project Company

Kenya Energy Storage System

Currently, several companies are considering Kenya as a market for BESS technology and have engaged MoE and KP to further these discussions.
