

Kosovo Energy Storage Power Station Project

Overview

What is the New Kosovo power plant?

The New Kosovo power plant is part of the government's plans to reform Kosovo's energy sector. Other plans include closing Kosovo A power station by 2017, rehabilitating Kosovo B power station to meet EU standards, and privatizing the country's electricity distribution system. Plans for New Kosovo also include a lignite coal mine, the Sibovc SW.

What is Kosovo C Power Station?

Kosovo C power station is a cancelled power station in Prishtina, Pristina, Kosovo. It is also known as Kosova e Re power station. Loading map. Project-level coal details The New Kosovo power plant is part of the government's plans to reform Kosovo's energy sector.

What is Kosovo's Energy Strategy?

The energy strategy foresees 170 MW in battery operating power. In addition, procedures are scheduled to be announced in the fourth quarter for a solar power plant of 100 MW for government-controlled power utility Kosovo Energy Corp. (KEK) and a solar thermal system for district heating in Prishtina, according to Rizvanolli.

How much will Kosovo's new solar power plant cost?

In addition, procedures are scheduled to be announced in the fourth quarter for a solar power plant of 100 MW for government-controlled power utility Kosovo Energy Corp. (KEK) and a solar thermal system for district heating in Prishtina, according to Rizvanolli. The contracts will have a combined value of EUR 180 million, she added.

How many hydroelectric power plants are there in Kosovo?

Hydroelectric power generation is mainly provided by Ujmani power station with a capacity of 70 MW. In the past, Kosovo has had four functional

hydroelectric power plants. After the 1999 war they stopped working, but they have been rehabilitated in the recent years. Lumbardhi hydroelectric power plant was rehabilitated in 2005.

Does Kosovo need a new energy sector?

Given this background, the Government of Kosovo has prioritized the modernization and improvement of the country's energy sector, and has asked its development partners, including the World Bank, European Commission, KfW, USAID, as well as other donors, for support and assistance.
