

Largest solar photovoltaic panel

Overview

The following is a list of photovoltaic power stations that are larger than 500 (MW) in current net capacity. Most are individual , but some are groups of owned by different.

Largest solar photovoltaic panel

[The 20 Largest Solar Power Plants in the World](#)

The largest solar power plant in the world is the Bhadla Solar Park, which was completed in 2020. This solar thermal power plant is located in Bhadla in the Jodhpur district of Rajasthan, India.
