

Namibia outdoor power supply manufacturer

Overview

Where does NamPower supply bulk electricity?

NamPower supplies bulk electricity to Regional Electricity Distributors (REDs), Mines, Farms and Local Authorities (where REDs are not operational) throughout Namibia.

What type of power outlet does Namibia use?

Namibia uses power outlets and plugs of types D & M. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Be careful!.

What does NamPower do?

NamPower's core business is the generation, transmission and energy trading, which takes place within the Southern African Power Pool (SAPP), the largest multilateral energy platform on the African continent.
