

New container-type lithium battery

New container-type lithium battery

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

Shipping Requirements for Lithium Battery Dangerous ...

Learn about the shipping requirements for lithium battery dangerous goods via sea freight, including classifications, general requirements, container packing ...
