

# Pakistan photovoltaic module cell factory

## Overview

---

Who manufactures a-class photovoltaic (PV) modules in Pakistan?

Amongst the few companies in Pakistan manufacturing A-Class photovoltaic (PV) Modules and We are one of the largest manufacturer having factory covered about 174240 square feet. Our PV modules are manufactured on state of the art international standard plant having a capacity of 150MW per annum.

Is Tesla a good solar inverter manufacturer in Pakistan?

It is also a renowned solar inverter manufacturer in Pakistan, further solidifying its footprint in the solar industry. Tesla's products are reasonably priced, with the 250w solar panel price in Pakistan and the 12v solar panel price in Pakistan being highly competitive.

Is Pakistan leveraging its solar potential?

Pakistan, a country rich in sunlight throughout the year, is gradually leveraging its solar potential. The growing number of solar companies in Pakistan are capitalizing on the abundance of sunshine to provide efficient and sustainable power solutions.

Are SunLife solar inverters certified in Pakistan?

Our PV modules are tested, as required basis, on IEC 61215 (10.1) and Certified as Top Class by PCRET, Ministry of S & T, and Government of Pakistan. Sunlife Solar Company (Pvt.) Ltd is a proud importer of the world's top quality inverters in Pakistan, which are specially manufactured to meet the needs of the countries in the sub-continent.

Are Tesla Solar panels expensive in Pakistan?

Tesla's products are reasonably priced, with the 250w solar panel price in Pakistan and the 12v solar panel price in Pakistan being highly competitive. The company prides itself on its quality products, extensive experience, and

focus on customer satisfaction.
