

Senegal Outdoor Power Supply Specialty

Overview

What type of plugs does Senegal use?

Senegal uses power outlets and plugs of types C, D, E & K. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Be careful!.

What is the standard voltage for a power socket in Senegal?

All power sockets in Senegal provide a standard voltage of 230V with a standard frequency of 50Hz. You can use all your equipment in Senegal if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Are Senegal electrical outlets different from the United States?

No, the electrical outlets in Senegal are different from those in the United States. In Senegal electrical outlets of types C, D, E & K are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Senegal?

The electrical outlets and power plugs in Senegal are of types C, D, E & K (see images).

Can I use a charger in Senegal?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Senegal outlet. Senegal uses electrical outlets and power plugs of types C, D, E & K (see images).

Do I need a travel adapter in Senegal?

If you're not sure whether the outlets and plugs used in your country are the same as in Senegal, you can use the tool at the top of this page to check if you need a travel adapter. All power sockets in Senegal provide a standard voltage of 230V with a standard frequency of 50Hz.

How does Senegal support regional energy cooperation?

Senegal supports regional energy cooperation as a member of the West African Power Pool (WAPP) and is a member of regional organizations to develop hydroelectricity resources on the Senegal (OMVS – Senegal River Basin Development Organization) and Gambia (OMVG – Gambia River Basin Development Organization) rivers.
