

Shelter Energy Storage Power Station

Overview

Power is a resource in Fallout Shelter. The vault cannot run without power. Run low on power and rooms will begin shutting down leaving dwellers in the dark. There are two basic sources of power: Power ca.

Shelter Energy Storage Power Station

[Question] Why is my power storage so low? : r/falloutshelter

You must have more power plants in order to increase your energy storage or you can upgrade the one you already have.
