

Specifications of mobile power box

Overview

RIPEnergy's multifunctional Power Box is designed for challenging mobile military applications, featuring 6 kWh of energy storage with a programmable battery management system and delivering up to 500A peak current at 28VDC. What kind of battery does a powerbox 10 use?

The Powerbox 10 is a compact, portable power station built with a 12V 10Ah Dakota Lithium LiFePO₄ battery. Features USB ports, a 12V car plug, binder posts, and a built-in LED flashlight. Housed in a water- and shock-resistant case. Charger included. Built Dakota Tough.

What is a powerbox 10?

The Powerbox 10 is your go-anywhere mobile power station, built with Dakota Lithium's legendary LiFePO₄ cells for unmatched performance in any condition. Whether you're off-grid, in a kayak, or camping deep in the backcountry, the Powerbox 10 keeps your gear charged and ready.

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

What are load master™ series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific

application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.

Are Lex powerhouse TM & powerrack TM portable distribution boxes cULus listed?

Lex Products PowerHOUSE™ and PowerRack™ portable distribution boxes are cULus listed and ready to deliver fail-safe, convenient, long lasting products for the entertainment, industrial, and military industries that need durable and innovative power they can rely on.
