

Stacked lithium battery pack

LFP12V100

Overview

The additional power potential coming from smaller batteries is really exciting. When you add in faster charging and a much longer service life, the transition to Flex Stacked Lithium batteries is one that make.

Stacked lithium battery pack

FLEX Stacked Lithium--Power That Changes Everything(TM) , FLEX

FLEX Stacked Lithium delivers 200% more power, 300% longer battery life, 100% faster charging and is 100% cross-compatible with all FLEX 24V tools and chargers.
