

Taipei installs solar photovoltaic panels

Overview

The Executive Yuan yesterday approved a four-year plan to offer subsidies of up to NT\$300,000 (US\$9,248) each to install rooftop solar panels on private residential buildings. This comes as the Ministry of Economic Affairs moved back a target for solar photovoltaic (PV) installations to 2026.

Taipei installs solar photovoltaic panels

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5
