

Turkish energy storage temperature control system manufacturer

Overview

Where is kontrolmatik energy storage system made?

Kontrolmatik manufactures its energy storage systems on a turnkey basis in its factory in Ankara. It is planned that the energy storage system solutions will be offered by Pomega Enerji Depolama Teknolojileri A.Ş., a 100% subsidiary of Kontrolmatik after 2022. What is the Energy Storage System?

.

What are energy storage systems for electrical networks?

The main purpose of Energy Storage Systems for electrical networks is to convert and store electrical energy into a form to be stored and transfer it back to the grid as electrical energy when necessary. Energy Storage Systems is installed with control and management systems to support a reliable operating process.

Who is ALP Enerji Sistemleri Ltd?

Alp Enerji Sistemleri Ltd Sti. We're a Turkish company called "Alp Enerji Sistemleri". We provide battery monitoring & management systems branded ALPAIS. Our products are our own design and production. We offer productivity, simplicity, and sustainability with our industrial .
