

UAE new energy storage cabinet manufacturer

Overview

In 2021, MKC Group of Companies signed an agreement on the exclusive distribution of products across MENA (the Middle East and North Africa region) for the preparation of energy storage projects with an engineering company whose team for more than 5 years has been engaged in the design, production, implementation, certification and post-sales support of a complete set of energy storage systems based on CATL lithium batteries, including battery cabinets with BMS, power converters with transformers, EMS, container solutions with climate control and fire extinguishing systems.
