

What are the best outdoor power supplies with good portability

Overview

What are the best portable power stations?

To help you decide, I tested the efficiency, in a variety of scenarios, of the best portable power stations from Jackery, Oupes, EcoFlow, Anker, Goal Zero, Greccell, Bluetti, Dakota Lithium, Lion Energy, Vtoman, and Oupes. [↓ Jump to the Rest of the Field](#) [↓ What to Know Before Purchasing a Portable Power Station.](#)

What should I consider when buying a portable power station?

The most important thing to consider when shopping for a portable power station is the amount of power and battery capacity you need. The price range for portable power stations can range from a fairly inexpensive product to a large-sized investment.

What accessories do you need for a portable power station?

One of the most common accessories is going to be a cord to connect to similar power stations in series, often times doubling your power output. Some portable power stations have a light bar built into the housing, which is useful for seeing at night. Anker's Solix C300 also includes a pop-up camping light.

What is the best portable power station for off-site work?

Best portable power station for on-site work With a 1070Wh, 1500W output, and UPS, during our testing this unit proved ideal for when you need a reliable and pretty powerful unit for off-site work. And this redesigned version is a lot more portable, too. [Read more below](#) 5. Anker Solix F3800 Best portable power station for RVs and home back-up.

What is the best portable power station for water resistance?

Best portable power station for water resistance It might not be a true rugged power station, but the Bluetti AC240P boasts IP65 rating to protect it against water and dust ingress. Key specs are 1843Wh capacity and a 2400W output.

Do portable power stations make camping better?

A good portable power station makes camping better. These devices power lights, phones, and small appliances when you're outdoors. We spent three months testing power stations to find the best portable power stations for camping. We tested 30 portable power stations over 12 camping trips.
