

What battery cabinet is easy to use and affordable

Overview

What is a lithium-ion battery charging cabinet?

The Justrite Lithium-Ion Battery Charging Cabinet is the ultimate solution for safely charging and storing your lithium-ion batteries. Each charging station locker has multiple layers of advanced shielding to help reduce the risk of battery fires and thermal runaway.

Why do you need a batteryguard Battery Cabinet?

With a Batteryguard battery cabinet, you charge and store your batteries with complete peace of mind. You protect your staff, prevent damage, and meet the requirements of your insurer. And in some countries, you may even benefit from financial incentives or grants. Do you have any idea whether your business is at risk of a battery fire?

.

What is a Justrite battery storage cabinet?

Every Justrite battery storage cabinet is made from strong 18-gauge steel. It has double-walled sides, top, and bottom with a 1.5-inch air gap between the walls. The manual-close doors have baffled vents and a unique flame arrester pattern. They are supported by continuous piano hinges for a secure and reliable closure.

How many kWh can a battery storage unit hold?

This battery storage unit has a max capacity of 4kWh. It includes an 8-receptacle power strip to allow you to charge multiple batteries at once. The lightweight, benchtop design makes it easy to move the cabinet wherever you need it. Lockable doors keep your lithium-ion batteries securely stored and safe from theft.

Are batteryguard batteries safe?

This way, you protect your business while meeting the requirements of insurers and safety regulations. No matter what type of batteries you use – small or large, many or few – there is always a Batteryguard battery safe that suits your working environment. All XL models are VDMA 24994-certified, providing proven safety.

Are batteryguard battery safes fire-resistant?

Every Batteryguard battery safe is built with a fire-resistant construction at its core, ensuring compliance with the strictest safety requirements and standards. A battery fire can devastate your business. With a Batteryguard battery cabinet, you charge and store your batteries with complete peace of mind.
