

What brands of mobile outdoor power supplies are generally available

Overview

What are the best portable power stations?

To help you decide, I tested the efficiency, in a variety of scenarios, of the best portable power stations from Jackery, Oupes, EcoFlow, Anker, Goal Zero, Greccell, Bluetti, Dakota Lithium, Lion Energy, Vtoman, and Oupes. [↓ Jump to the Rest of the Field](#) [↓ What to Know Before Purchasing a Portable Power Station.](#)

Are portable power stations suitable for camping?

Almost all compact portable power stations will be suitable for camping, but I rather like the Bluetti Handsfree 2 for this role - mostly because many of them are big, boxy, unwieldy units that take up a fair amount of space.

What should I consider when buying a portable power station?

The most important thing to consider when shopping for a portable power station is the amount of power and battery capacity you need. The price range for portable power stations can range from a fairly inexpensive product to a large-sized investment.

Can a portable power station be used as an uninterruptible power supply?

Yes, a portable power station can be used as an uninterruptible power supply. Many portable power stations come with UPS features, like automatic switchover when power loss is detected.

What devices can a portable power station run?

So long as your portable power station has the right ports and enough capacity, it can run a massive range of devices, including phones, laptops, and desktops. Higher capacity units will also let you power appliances and charge electric vehicles. Check which ports your preferred model has, including USB Type-A and Type-C, AC and mains sockets.

What is the best portable power station for off-site work?

Best portable power station for on-site work With a 1070Wh, 1500W output, and UPS, during our testing this unit proved ideal for when you need a reliable and pretty powerful unit for off-site work. And this redesigned version is a lot more portable, too. Read more below 5. Anker Solix F3800 Best portable power station for RVs and home back-up
