

What outdoor power supply should I use outdoors

Overview

How do I choose an outdoor outlet?

When choosing an outdoor outlet, be sure to select an outdoor-rated and weatherproof model with built-in, high-sensitivity GFCI\|. All exterior outlets should have spring-loaded covers to protect them from weather, pests, and most importantly, moisture.

Do I need a GFCI outlet if I run power outside?

When running power outside, a GFCI-equipped outlet is required by code in all areas exposed to moisture, such as the outdoors, and ensures safety. When adding an outdoor outlet, be sure to choose an outdoor-rated, weatherproof model with built-in, high-sensitivity GFCI.

Should you buy an outdoor power strip?

If those two sockets in your outdoor outlet aren't enough to fulfill your outdoor power needs, then you'll want to invest in a good outdoor power strip. These handy appliances can multiply a single socket into six or even 10, allowing you to power multiple strings of lights or various outdoor appliances simultaneously.

How do I protect my home from a power outage?

Consider installing southwire wires securely along walls using cable covers, or overhead where possible. Utilize GFCIs: When using appliances outdoors, use Ground Fault Circuit Interrupters (GFCIs) that can immediately cut off power in case of a fault thereby enhancing safety against shock occurrence.

Are outdoor power strips weather resistant?

Outdoor power strips come in a variety of sizes, from small three-outlet models up to large 10-outlet beasts. Unlike indoor models, these rugged, weather-resistant power strips can endure extreme temperatures and even downpours. Understanding what weather conditions an outdoor power strip is

rated to handle is key to purchasing the right one.

Is a permanent power outlet necessary?

For lighting, lawn tools used on a regular basis, or power needs for outbuildings, you need a permanent power solution for safety. This can involve an outdoor outlet addition to your home's main structure, or wiring run remotely to an outbuilding.
