

Where is the power grid base station

LIQUID COOLING ENERGY STORAGE SYSTEM

EMS real-time monitoring

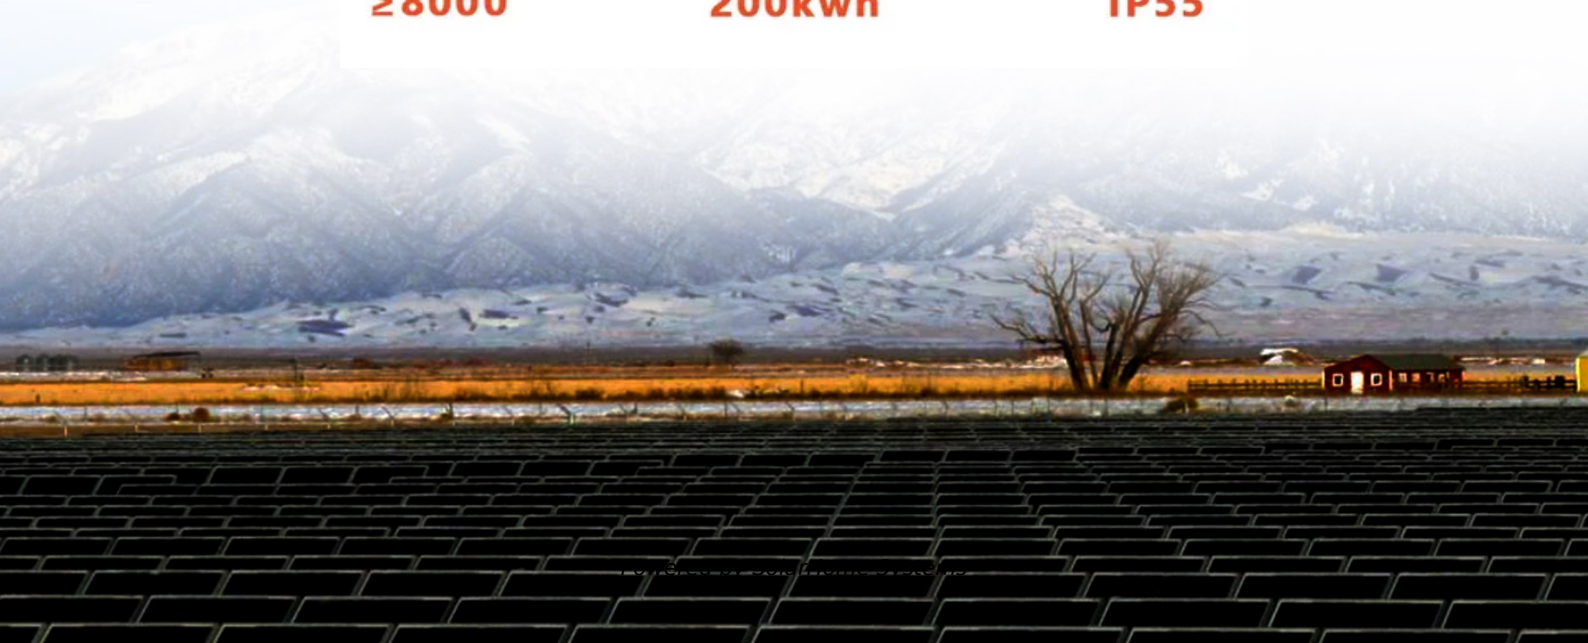

No container design
flexible site layout

Cycle Life
≥8000

Nominal Energy
200kwh

IP Grade
IP55

Where is the power grid base station

The Power Distribution Grid

The place where electricity converts from "transmission" to "distribution" occurs is in a power substation. For power to be useful in a home or business, it comes ...
